

Desert Gold

Game Abstract:

Journey into the heart of the Arabian desert in Desert Gold, a high-stakes slot set within the majestic palace of a wealthy Sheikh. This adventure captures the mystery and luxury of the Sahara, featuring noble riders on Arabian stallions and mysterious dancers. Experience the power of the desert with the Jackpot Feature, where silver coins rain down to trigger intense respins and lightning-strike payouts. Choose your path to wealth through the Picking Game, where hidden treasure chests reveal either Free Spins or immediate Jackpot opportunities. With progressive jackpots, your desert oasis of fortune awaits.

Game features

6 or more scattered Special Symbols trigger the Respins! A player gets 3 Respins. If another Special Symbol appears anywhere on the reels during the Respins, it will be locked till the end of the Respins, and the number of Respins left will be reset to 3. The Respins finish when the player has no more Respins left or when all 15 positions are locked with Special Symbols. When the Respins finish, all of the prizes shown on the Special Symbols are awarded to the player.

Possible coin prizes are: Mega, Maximum, Medium, Minor or a basic prize as shown on the symbol. The Mega Jackpot is awarded when all 15 positions on the screen are filled with Special icon or 15 Special icons are collected at the end of the Hold & Respin Feature.

Appears on all reels. 3 or more Scatter Symbols trigger the Picking Game. During the Picking Game, a player can win Free Spins or the Special Feature. The Free Spins can be won during the Free Spins. Scatter symbols win is multiplied by the total bet. Extra Wilds added to the 2nd, 3rd, 4th and 5th reels during the Free Spins!
