Game features

Winning lines are formed by similar adjacent symbols.
The more you connect, the more momentum you build toward bigger features.

Fill all 3 Progress Bars to complete one stage of your selected building.
Each completed stage rewards you and advances the unfolding story of your Dreams in the Sky. With every stage finished, your town rises higher — and so do your rewards.

Charge the energy grid by winning re-spins:
Fill the bar with 4–7 Re-spins to trigger 7 to 20 Free Spins of the electrifying Technomagic Free Spins feature.
Inside Free Spins, the town surges with arcane energy: Stack wilds, rising multipliers, expanding spins — the power builds with every connection.
