Lucky Faire

Game Abstract:

Step right up and enter the enchanted Lucky Faire where prizes fly, tickets are won and every spin feels like a winner’s night!
Collect Tickets during the base game to fill the Winners Meter and unlock exciting boosters in the Re-Spin feature. Gather enough tickets to trigger the spectacular feature, where enchanted attractions bring even greater winning opportunities by awarding more spins, bigger prizes and more winning reels.
The more tickets you collect, the closer you get to the Faire's grandest attractions and its most valuable treasures.
During Free Spins, special symbols and enhanced rewards can appear across the reels, helping you chase bigger prizes as the festivities unfold.
With spinning wheels, glowing prizes, and enhancements that build toward explosive wins, Lucky Faire delivers a carnival of anticipation on every reel. Step right up and let the rewards begin!

Game features

Land 3 Free Spins symbols to trigger 10 Free Spins and step into a celebration of instant prizes.

During Free Spins, a Magic Ball symbol may appear to award cash prizes or even an extra Free Spin, keeping the festivities going strong.

Every Ticket symbol that lands is collected. Fill the progress bar and you’ll win a spin of the Lucky Wheel, unlocking powerful enhancements

Trigger the Golden Re-Spin either through the Collect Feature or when 6 or more icons land on the screen.
