Lucky Potion

Game Abstract:

Step into the enchanting world of Lucky Potion, the magical-themed slot game where every spin is a chance to brew up big wins!
Experience the thrilling Magic Potion Feature, where empty cauldrons symbols mix vibrant Jackpot colors, revealing prize values or Free Spin symbols.
Keep an eye out for the [Free Spins] symbols on reels 1, 3, and 5, or let the magical pots reveal them for you, triggering the Free Spin Feature.
Dive into the mystical realm of Lucky Potion and conjure up a fortune!

Game features

Free Spins Feature is triggered when 3 or more [Free Spins] appear or any special symbol reveal [Free Spins revealed on pot]. It awards 10 free spins

Mini, Minor, Major, and Grand Bonuses can be collected during Free Spins Feature.
During Free Spins, special symbols fill the progress bar corresponding to their bonus color. Collecting 3 or more special symbols of the same color awards a bonus. Each additional special symbol of the same color adds another bonus, up to a maximum total of jackpots.

Each [grey pot] turn into one of the Jackpots colors and, reveal either prize values or [Free spins revealed by pot] on them i.e. [red pot xx], [purple pot xx], [blue pot xx], [green pot xx].
3 or more special symbols of a matching color will award the Bonus revealed.
Each additional special symbol after 3 of the matching color adds an additional Bonus Prize of that type
