Monkeys Journey

Game Abstract:

Monkey's Journey to the West: A Cascade of Excitement Awaits!
Embark on an epic adventure with Monkey's Journey to the West, a cascade game that promises thrilling gameplay and rewards! Watch as symbols cascade down the reels, achieve 4 or more cascades in a row, and you'll unlock the exhilarating Free Spin Feature, where even greater fortunes await!
But the excitement doesn't stop there! Land 3 or more bonus symbols, and you'll trigger the "Hold and Re-spin Feature." In this bonus round, the prizes light up with wins multiplied by Monkey’s power, your gateway to unimaginable riches.
Join the adventure, feel the thrill of the cascade, and let the journey to the West bring you unparalleled excitement and rewards in Monkey's Journey!

Game features

Free spin feature.
Each cascade fills a progress bar meter for that spin.
4 or more cascades will win the free spin feature

At the start of the free spin feature a wheel is spun to determine the symbol that will be held when it appears during the free spins.
Free Spins +1 symbols in the free spins that award an extra free spin when they appear

3 or more bonus symbol trigger the “Hold and Re-spin feature”. Grand jackpot can be won during the Hold and Re-spin feature

During the hold and respin each prize will have a color.
If a multiplier symbol appears of the same color as a prize it will multiply those prizes.
A grand Jackpot can be won when all positions in the hold and respin feature are filled.
