Paris and Aphrodite

Game Abstract:

Experience the epic romance of Greek mythology in Paris and Aphrodite, a high-fidelity slot adventure set against the majestic backdrop of ancient Mount Olympus. In the base game, discover the power of the gods as symbols appear in massive stacks, potentially filling entire reels to unlock legendary payouts. Journey into the Free Spins feature, where choosing your divine patron transforms all stacked symbols into high-paying character icons for the duration of the round. Will the favor of Aphrodite lead you to divine treasures and mythic wins?

Game features

At the start of each spin, the reels contain stacks of symbols that transform into one. All stacked symbol positions on a reel transform to the same symbol.

The Scatter symbol in all positions on reels 2, 3 and 4 triggers 7 Free Spins! Pick a Scatter icon to reveal a high pay icon. Stacks of symbols transform into the revealed symbol during the Free Spins. All symbol positions in all stacks transform into the same symbol for all Free Spins!
