

Pot of Luck

Game Abstract:

Join a cheerful Leprechaun on a journey through a mystical forest in Pot of Luck, a vibrant slot filled with Irish charm. As the Leprechaun searches for the perfect place to hide his precious pot of gold, players can uncover hidden treasures through magical forest features. The forest comes alive with the Extra Wilds Feature, where golden coins rain down upon the reels, and the Lucky Clover Feature, which spreads Wilds across the screen with rainbow splashes. During Free Spins, a special Multiplier Scatter can significantly increase your luck by multiplying the number of awarded free games. Spin the reels and find your own fortune at the end of the rainbow!

Game features

A win of 5, 4 or 3 Scattered symbols awards 20, 10, 7 Free Spins respectively.

If this Symbol substitutes a win, the total number of Free Spins triggered is multiplied randomly by 2, 3 or 5.

Can be triggered randomly on any spin and during the Free Spins. A random number of Wild symbols is placed on the reels. The total number of Wild symbols on the screen ranges from 1 to 15.

Special symbol can be randomly placed on the reels on any spin and during the Free Spins. Appearing on the reel this symbol awards additional Wild symbols, then it turns into Wild.

Lines - 30
