

Santa's Magic

Game Abstract:

Experience the wonder of Christmas Eve in Santa's Magic, a festive slot where Santa Claus and his industrious elves prepare a night of supernatural surprises. Set against the backdrop of a traditional home on a snowy winter night, the game captures the spirit of giving through a unique gift-opening mechanic. Watch as colorful fireworks launch from the reels to reveal treasures hidden in gift boxes above. From random Wilds to massive coin prizes and multipliers, the holiday magic unfolds with every spin. Join Santa in his flying sleigh and see what spectacular gifts await you this Christmas!

Game features

The Special Symbol appears only on the 2nd, 3rd and 4th reels. When the Special Symbol appears on the reels, it opens a Gift on the corresponding reel! During the regular spins the Gift can contain 1, 2 or 3 Wilds which will be dropped in random positions on reels or a coin prize! In addition, Special Symbols can be added to a random reel from a random gift! When a Special Symbol opens a gift, it leaves a Wild in the place it used to be.

Appears on all reels. 3, 4 or 5 Scatter Symbols triggers 6, 9, 12 Free Spins Respectively.

5 Golden Gifts are placed over the set of reels and additional Special Symbols are added during the Free Spins and can appear on all 5 lines! Golden Gift can contain one of the following prizes: 1-3 Wilds with or without multipliers, a coin prize or a number of additional Free Spins! Additionally, there is the chance of another extra Special Symbol dropped from a random Golden Gift.
