

StarBarks

Game Abstract:

Join Barkley the Dog and his feline companion on an out-of-this-world adventure in StarBarks, a space-themed slot that blends cosmic exploration with a touch of humor. Set within the cockpit of a starship, the game features a seamless view of the galaxy through a bezelless porthole that serves as the reel set. The adventure features a specialized UFO Infection mechanic where alien crafts beam Wilds onto the reels, and a unique Mini-Game where players help the space dog navigate a flight deck to determine their Free Spins destiny. With up to four independent reel sets and pre-locked Wilds, this cosmic journey offers a universe of winning possibilities.

Game features

A UFO arrives randomly to the reels and turns the whole reel into Wild.

The Free Spins symbols may appear on the 1st, 3rd, and 5th reels. Three Free Spins symbols trigger the mini-game.

During the mini-game, you may win the Locked Wilds and the number of reels that will be playing during the Free Spins. You may get from 1 to 4 reels. Each of them will have Locked Wilds according to your winnings in the
