Thunder Power

Game Abstract:

Step into the realm of the gods with Thunder Power, where Zeus himself commands the skies! This electrifying cascade game keeps the excitement flowing as symbols tumble down the reels, creating winning combinations and paving the way for epic rewards. 4 or more cascades in a row unlock the Lightning Bonus Feature, where jackpots await.
Zeus has many feature powers! Gather 6 or more balls of thunder to trigger the exhilarating Lottery Free Spin Feature. With each spin, feel the power of Zeus's thunderbolts as they strike the reels, delivering multipliers to the prizes and giving unimaginable riches.
Join Zeus in this thunderous journey, and let Thunder Power electrify your gaming experience with god-like excitement and rewards!

Game features

Each cascade fills a progress bar meter for that spin.
4 or more cascades will win the Lightning bonus.
The more cascades won the larger the available jackpot prizes that can be won during the feature.
During the Lightning bonus there are 4 reel windows.
Collecting a special icon in a live window will open a new live window

The free spin feature is won with 6 or more balls of thunder

Balls of thunder launch the lottery, which will award multiplier for each spin. Number of Balls of Thunder landed is equal to number of awarded Free Spins.
Any Ball of Thunder that lands on the reels during the Free Spins is added to the Lottery and award additional multiplier and spin.
Ball multipliers may be 2, 3, 4, 5, 6, 7, 8, 10, 12, or 15x
