Town of Dreams

Game Abstract:

Welcome to Town of Dreams, where every spin helps you build a magical world, unlock hidden rewards, and write your own story of fortune! Your journey begins in a growing town powered by resources and luck. In Town of Dreams, you're not just spinning reels, you're constructing a world of wonder, unlocking powerful features. Build your town and power the magic.

Game features

Fill all 3 Progress Bars to complete one stage of your selected building.
Each completed stage rewards you and advances the unfolding story of your Town of Dreams. With every stage finished, your town rises higher — and so do your rewards.

Winning lines are formed by similar adjacent symbols. The more you connect, the more momentum you build toward bigger features.

Charge the energy grid by winning re-spins:
Fill the bar with 4–7 Re-spins to trigger 7 to 20 Free Spins of the electrifying Technomagic Free Spins feature.
Inside Free Spins, the town surges with arcane energy:
Stack wilds, rising multipliers, expanding spins — the power builds with every connection.
