Wicked Treasure

Game Abstract:

Step into the seductive and dangerous realm of Wicked Treasure, a gothic-themed slot where a mysterious Vampiress guards untold riches within her castle. Experience the "243 Ways to Win" system where matching symbols on adjacent reels unlock explosive payouts across the entire grid. Harness the Vampiress's power with expanding Wilds that lock in place for high-voltage respins and a lucrative Free Spins feature triggered by mystic blue flames. Dare to enter her chamber and claim the wicked treasures that await those brave enough to spin.

Game features

Whenever 3 Wild symbols appear on the same reel, the reel is held and the other reels are respin once. The Respin feature can trigger a maximum of 2 more Respins

The Feature is won each time the Flaming symbol appears on both reels 1 and 5. 15 Free Spins and a coin prize totaling double the amount you bet are awarded. During the Free Spins, the Respin feature will work as during regular spins.

Matching symbols in any position on three or more adjacent reels, starting from the leftmost reel to the rightmost reel is a winning combination. Only the longest matching combination per symbol is paid.
